SANITARY.

PROCEEDINGS OF THE CENTRAL SANITARY BOARD IN MYSORE.

READ—

Note by the Chief Engineer in Mysore, dated the 27th April 1910, on the drainage of the City of Mysore, giving a retrospect of the progress in Sanitary measures in the City and outlining the points that require consideration with a view to practical action in the immediate future, so that any work that may be carried out hereafter may be in accordance with a comprehensive plan, made out after the most successful examples in other parts of India and with due regard to public health, economy and efficiency.

2. Notes of inspection of the drainage system at Ahmedabad by Lieutenant-Colonel John Smyth, M.D., I.M.S., Sanitary Commissioner with the Government of Mysore, giving particulars as to the present working of the system in Ahmedabad and stating that on the whole the pipe system is one which can very well be introduced in Mysore, care being taken to avoid the failings it presents in Ahmedabad.

3. Letter No. 5657, dated the 26th June 1911, from the Chief Engineer in Mysore, forwarding a consolidated drainage project for the City of Mysore, prepared by the Executive Engineer of the City Improvements Division, on the lines laid down in the Chief Engineer's note of April 1910.

RESOLUTION NO 4.

Dated Bangalore, the 11th September 1911.

The project provides for a system of underground sewers with house connections adapted to Indian conditions superseding the combined scheme of surface drains and underground sewers which was being carried out till recently. No provision is made in the scheme for sub-soil drains nor for *all* the storm water drains needed within the City. The estimated cost of the complete scheme is Rs. 15,41,099, out of which Rs. 9,34,342 is proposed to be spent within the next five years. The works to be executed during the period are (1) the laying of sewers along main roads and thoroughfares in Nos. I, II and part I of No. III Drainage areas, in Nazarbad and in Ittigegud; (2) complete drainage as per scheme in part II of No. III and in No. IV Drainage areas; (3) improvements to the existing sewers in the Fort; (4) extension of outfall sewer; (5) linking up outfalls and (6) provision of storm water drains The amount is exclusive of compensation for houses and land and establishment charges, which are estimated at Rs. 5,25,574 for the five years.

The Board are agreed that the project is sound and resolve that it be approved generally.

P. S. ACHYUTA RAO,
Officiating President, Central Sanitary Board.

FINANCIAL DEPARTMENT.

No. B. & R 32, dated 14th July 1911.

From this date until further notice, applications from the public will be received in the undermentioned Treasuries for issue of supply bills on the Treasuries noted against each :—
